# Fun Activities

## Pistol Shooting

Smith & Wesson Revolvers. 177 gas-powered guns give you the feel & excitement of shooting a pistol. Shooting at a target of a wild rabbit or crow. Points are scored on where you hit the animal.

## Knife Throwing

Look easy, sounds easy, but is it easy? Throwing at a target about 5 metres away. This is one of our hardest activities that everyone thinks will be easy.

## Stock Whips

All can have cracking good time - trying to be coordinated at the same time as trying to make the whip crack! This activity is more funny for the people watching than those playing!

## Axe Throwing

Using Double Headed Throwing Axes it is a challenge to get it to stick into our target situated about 6 meters away. Points scored depending on where it sticks in the log of wood.

## Archery

Using high performance compound bows (modern version of the Robin Hood bows) this medieval game of Archery has become very popular and is very enjoyable. Points gained by hitting a target about 20 metres away.

## Mechanical Bucking Bull

OSH Safety Approved Bull. Speed Controlled, giving complete control on the ride, and suitable for every rider's ability.

## Short Golf

Rotorua's only short golf course. Here's your chance to have a go at golf without the worries of the big course. Our course is a 9-hole course ranging from 45 - 90 meters. All clubs are supplied.

## Lasersport

New Zealand's first electronic clay target shooting system. Enjoy the thrill and excitement of shooting without the danger of bullets. Five people shooting at once, all firing at the same target. Scores recorded on electronic scoreboard. Fast, competitive and safe. Skill Shoot, Rapid Fire and Speed Shoot games options.
