Leaders in Corporate Entertainment, Action New Zealand is one of New Zealand's largest Mobile Entertainment Companies and are based in Rotorua.

We are located at " THE SHORT GOLF COURSE" which is equipped with a Clubhouse and Bar plus a fully themed Marquee, and Catering Facility. While based in Rotorua, Action New Zealand also travels throughout New Zealand, as most of our activities are fully mobile. All this coupled with our central city location make us the ideal venue to either host your next event or just visit to partake in our huge range of activities.

With our innovative and creative approach and a large range of activities to offer, we are able to reduce the number of sub-contractors required to host events, and this in turn reduces costs while increasing financial control over your event budget.

We work with many of the local and out of town activity and accommodation operators when required, providing

- Team Building
- Team Development Programmes
- Feature Conference Openings,
- Facilitation and Co-ordination of conferenced and incentive events

We are able to offer a much larger range of products including

- quad biking
