LAKES LODGE FISHING CHARTERS

Fishing Charters available on Rotorua's Trophy Trout Lake Okataina.

Lake Okataina is a remote, extremely scenic valley surrounded by pristine virgin native forest. The beautiful clear water provides an abundance of food that ensures the large population of rainbow trout reaches impressive sizes and is very hard fighting! Every year many fish are caught that are well beyond the magic 10 pound mark. Okataina is a beautiful lake to fish and the quality of the fishing in a pristine wilderness is very special. Our boat, the MV Waioira, can take a group of up to 45 people for a fish on the lake. Additional boats can be brought in for larger groups. After you catch the rainbow trout it can be smoked for you either on board or up at the lodge.

- Drinks and nibbles are available on board.
- 2 to 45 people. Onboard toilet, galley and indoor seating.
- Lake cruise/fishing.
- Very spacious, dry area protected from the weather.
- Trolling, jigging, harling, down riggers all set up.

LAKE OKATAINA is the 4th largest lake in the Rotorua region, completely surrounded by native bush right down to the shore line. The history is rich from pre European times and the local Maori tribes that lived on the lake edge. Okataina is well know as a trophy trout fishing lake with many fish taken over 12lbs every year.
