ACCOMMODATION

Accommodation available for walking, fishing and social groups. Great facilities available for hosting weddings and conferences of up to 120 people.

RATA TREE

New Zealand's largest Rata tree, which is the same size as the famous Tane Mahutu. This rarely seen tree - called 'The Phantom' - is a good hours walk from the lake shore. Can be incorporated with our lake cruise.

WILDERNESS RETREAT

Great for bush walking groups. Walk from Tarawera to Okataina, then cruise the scenic lake back to the lodge.

See NZ pre European Maori pa site, explore the caves and hear the stories from years gone by. Te kotu pa site is the best example of a pre European pa in NZ where you can still walk around and still find 47 man made caves.

Lake Okataina Rotorua's most scenic lake with only one building situated on the entire lake, surrounded by bush, bird life and the famous trophy Rainbow Trout.
